IMPORTANT INFORMATION – PLEASE READ!

Please be respectful of residents/neighbors and staff. GHA has had in place the policy to call or set up appointments to meet with staff for over two years. This allows staff to be able to meet with residents or other staff and provide our undivided attention. True emergencies should be followed as defined in the tenant handbook by calling police or 911. GHA greatly appreciates your cooperation!

GROUNDS

NO SMOKING!

GHA continues to receive complaints from residents and staff of residents smoking in their units or on the property. This is a violation of GHA's no smoking policy as well as State Law regarding no smoking in Public Housing. Violators could be charged for damages and could lead to eviction.

Questions came up about residents being told they can smoke on the property. There is "NO Smoking Allowed" on the property or in the units. This includes smoking of any kind or substance.

PARKING

Please be sure to park in designated parking only. Visitor parking is reserved for visitors. Please use your assigned or tenant parking to park your vehicles.

LANDSCAPING

GHA has begun landscaping work this month. Lawns will be mowed on Tuesdays and Wednesdays (weather permitting). Other trimming and clean up can occur anytime during the week.

GHA is experiencing an ongoing issue with feeding the animals, a reminder "Please do not feed any wild animals"! Wild animals can cause damage to the property.

Thank you for your cooperation!
